Akron based firm breaks ground on expansion, set to ring in 2012 with new jobs.

Akron, OH, December 14, 2011: Local personal injury law firm, Kisling, Nestico and Redick, LLC (KNR), recently broke ground on an expansion making room for new employment opportunities set to be available in 2012.

The 3,500 square foot addition will house 12 additional offices and three board rooms allowing space for at new positions including attorneys, paralegals, and additional office support staff. Having outgrown their building due to increasing business demand, the new addition will be finalized on the one-year-old building in January and will provide a total of 16,000 square feet of office space.

Recently, KNR welcomed two new attorneys, Joshua Angelotta and William Shackelford, bringing their current total number of staff attorneys to 13. KNR hopes to increase that number to at least 15 in the new year.

For more information on any employment opportunities, the expansion, or if you or someone you know could be the victim of an auto accident, contact Kisling, Nestico & Redick at 1-800-HURT NOW or KNRlegal.com.
