FOR IMMEDIATE RELEASE

AKRON FIRM NAMED LAW FIRM OF THE MONTH BY *ATTORNEY AT LAW MAGAZINE*

Akron, OH, July 2017– The Cleveland edition of *Attorney at Law Magazine* has named Kisling, Nestico & Redick (KNR) as Law Firm of the Month in their latest issue. The publication, a national network of local legal trade magazines, takes a close look at KNR’s unique vision and explores the deep bench of knowledge and the tenacious attitude that has contributed to the firm’s success.

“We are honored to be featured as Law Firm of the Month, says Managing Partner Rob Nestico. “Our team works tirelessly to ensure our client’s needs are met and to create awareness about dangerous behaviors, but we also believe in taking our work one step further by really making a positive impact in our community.”

The comprehensive article highlights KNR’s beginnings—including a fatal accident which led to Attorney Nestico to discover his calling in defending the rights of people injured in automobile accidents—the firm’s dedication to abiding by a clear code of ethics, how experience has paved the way for KNR to encourage industry change, as well as how the firm sets the standard for giving back to their community.

KNR is also featured on the cover of *Attorney at Law’s* Columbus edition due out later this month. To read more about KNR in *Attorney at Law Magazine* click here: <https://goo.gl/uzE3ku>. For more information on KNR, visit the firm’s website at www.knrlegal.com.
