

ANTI-BULLYING PLEDGE

One out of five students will be bullied this year.
Show them they aren't alone.

I PLEDGE TO:

- 1** Support others who have been harmed or subjected to bullying.
- 2** Not become involved in bullying or be a bully myself.
- 3** Treat others with respect and be more accepting of differences.
- 4** Have the courage to speak up & stand up against bullying.
- 5** Include others who may be left out and be a friend to those in need.

THANK YOU FOR PLEDGING!
